

# 14<sup>th</sup> IEEE CPMT Symposium Japan (ICSJ2025)

*The Leading International Components, Packaging and Manufacturing Technology Symposium*

November 12-14, 2025

Ritsumeikan University's Suzaku Campus, Kyoto, Japan

“IEEE CPMT Symposium Japan (ICSJ)” is one of the most widely recognized international conferences sponsored by the **IEEE Electronics Packaging Society (EPS)**. The conference organizer is now calling for sponsors. Sponsors are eligible for benefits such as logo display, advertisements, and exhibition booths. The conference brings together participants from various fields to present/learn about the latest research on **Advanced Electronics Packaging Technology for Digital Twin**. The conference is an excellent opportunity to interact with experts in the field, exchange technical ideas, and discuss research topics.

We very much look forward to your participation and registration.
